Click here to sign into Clever

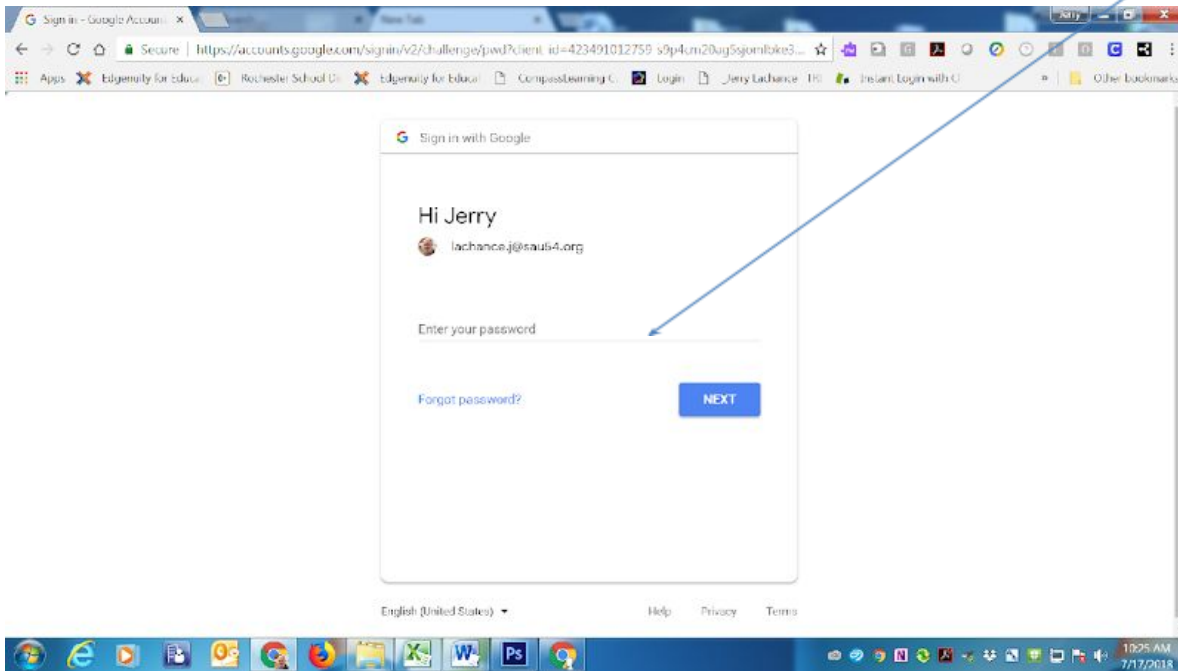

1. When you sign in to your sau54 account you should see this screen make sure your data is linked.

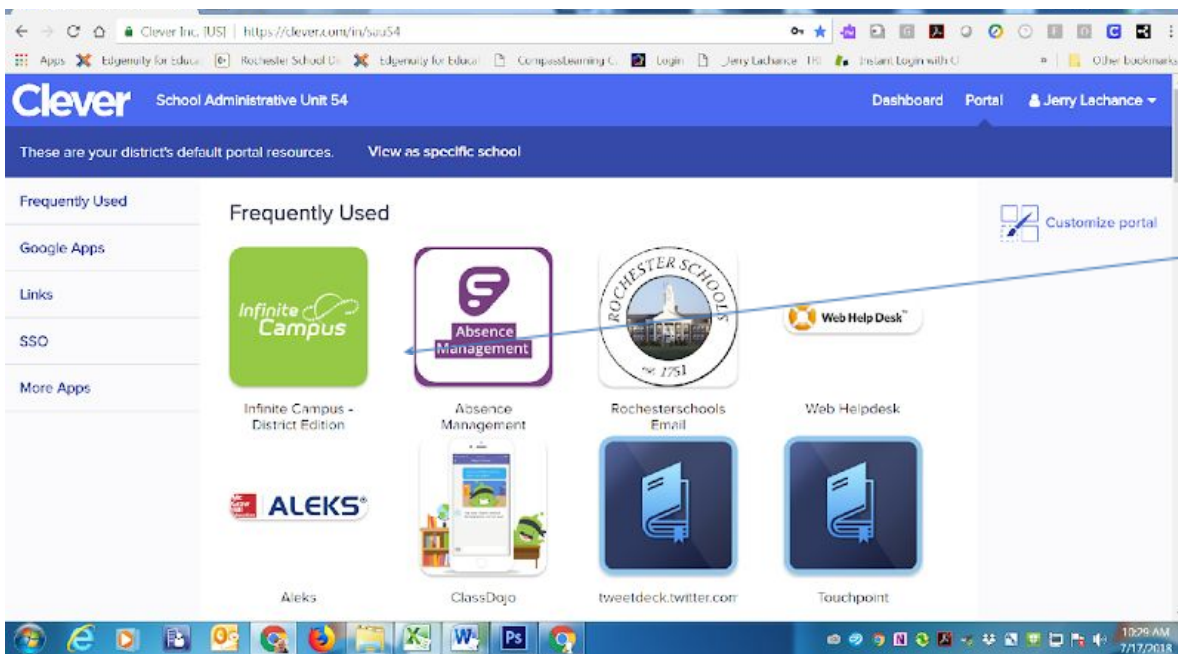

Click here

Enter your password

This brings you to your dashboard

Click on your tile. The first time you sign in you might have to put in credentials for that application. After that your credentials should be saved.

These applications are the ones that have been added. I will be adding more as requested. School Administrators will be added to each school they will be able to add applications and control their schools applications and dashboard for students and teachers.

Any Questions or if you would like to schedule training for your staff please contact me
