

Credit Recovery Application

To provide students who have earned an NYC in English, math, science or social studies class an opportunity to recover competencies and gain credit. Spaulding High School offers three PLATO options: E-Block, E-Block Instruction and Blocks A-D. Students will speak to their guidance counselor and discuss which option works best for their situation. Attendance counts! Because of the demand for PLATO, a student will be removed from the class for excessive absences.

Please check one:

Blocks A-D:

- Due to space limitations, students will be enrolled in PLATO on a first come, first-served basis. A waiting list will be maintained so that a waiting student may be enrolled as another reaches completion.

E-Block:

- Unlike summer school, E-Block is free of charge to students.

E-Block Instruction:

- Courses are taught by a teacher certified in the content area who will provide instruction for the specific competencies requiring remediation.
- **E-Block and E-Block Instruction classes meet on Monday, Tuesday and Thursday afternoons from 2:46-4:16pm.**
