

Fire Evacuation Plan for Students with Seizures

During a fire drill or in the event of an actual fire the following procedures must be followed to ensure the safety of our students and the first responders to the scene.

AT ALL TIMES:

1. Students are *never* to be left alone without an adult (can include the classroom teacher).

Fire Drill Procedure

In the event of a fire drill those students that have seizures should adhere to the following protocol;

1. Student will go to either the tech office or main office 10 min before drill depending on where in the building the student has class.

Actual Fire or unscheduled fire drill

1. In the event of an actual fire student will avoid looking at lights and go to the nearest exit with an escort.
